

DR ANNA MATYSIAK

Senior Postdoctoral Researcher
 Wittgenstein Centre (IIASA, VID/ÖAW, WU),
 Vienna Institute of Demography
 Austrian Academy of Sciences
 Welthandelsplatz 2
 1020 Vienna
 Tel: +43 (0)1 31336-7712
 Fax: +43 (0)1 31336 907702
 Email: anna.matysiak@oeaw.ac.at

TITLES AND DEGREES

2017	Habilitation in Economics , Warsaw School of Economics, Poland
2009	PhD in Economics , PhD title “On the interdependencies between fertility and women’s labour supply”, Warsaw School of Economics, Poland
2006	European Research Master of Demography , Max Planck Institute for Demographic Research, Germany
2003	Master degree in Quantitative Methods and Information Systems , master thesis on family and work, Warsaw School of Economics, Poland
2003	Master degree in Economics , master thesis on labour economics, Warsaw School of Economics, Poland

EMPLOYMENT HISTORY

08.2013 – current	Senior Postdoctoral Researcher , Wittgenstein Centre (IIASA, VID/ÖAW, WU), Vienna Institute of Demography, Austrian Academy of Sciences, Austria
10.2009 - 09.2017	Assistant Professor , Institute of Statistics and Demography, Warsaw School of Economics, Poland (on leave between 08.2013 – 09.2017)
10.2003 – 09.2009	Research Assistant , Institute of Statistics and Demography, Warsaw School of Economics , Poland
06.2003 - 08. 2005	Research Assistant at the Gdańsk Research Institute on Market Economies (think tank organisation), Warsaw, Poland

FELLOWSHIPS

01.2010	Guest Researcher at the Department of Sociology at the Stockholm University , Sweden
11.2008 - 01.2009	Doctoral Fellow at the Laboratory of Population and Policy, Max Planck Institute for Demographic Research , Germany.
10.2006 - 03.2007	Doctoral Fellow at the International Max Planck Research School of Demography, Max Planck Institute for Demographic Research , Germany.
09.2005 - 07.2006	PhD student at the European Doctoral School of Demography (EDSD) at the Max Planck Institute for Demographic Research , Germany.

OTHER APPOINTMENTS

06.2017 –	Deputy Editor at Demography (IF=2.57)
01.2015 – 12.2017	Editor of the Book Review Section in European Journal of Population
01.2012 –	Member of the Editorial Board in Studia Demograficzne (Polish demographic journal)
04.2015 –	Member of the IUSSP Panel on Subjective well-being and demographic events, International Union for the Scientific Study of Population
01.2012 –	Member of the Council of Advisors of Population Europe
09.2009 –	International Collaborator of the Stockholm University Linnaeus Center on Social Policy and Family Dynamics in Europe

COMPLETED COURSES (beyond formal education and fellowships)

- Demographic Applications of Bayesian Models**, Max Planck Institute of Demographic research, June 2016
- Multi-level modelling**, Vienna University of Economics and Business, Vienna, December 2014
- Causal inference in the social sciences**, 41st GESIS Spring Seminar, Leibnitz Institute for the Social Sciences, Cologne, 2012
- Structural Equation Modelling** with Lisrel, Gdansk University, Gdańsk, 2011
- Quantitative Methods for Public Policy Evaluation**, Barcelona Microeconometrics Summer School, Pompeu Fabra University, Barcelona, 2010
- Panel Data Analysis of Microdata**, Essex Summer School, University of Essex, 2009
- Applied Multi-level Modelling**, Methods in the Social Sciences 12th Swiss Summer School, Lugano, 2008
- Structural Equation Modelling in Cross-National Comparative Research**, organiser: European Science Foundation, Oxford University, Oxford, United Kingdom, 2005
- Categorical Data Analysis for Cross-National Cross-Sectional Data**, organiser: European Science Foundation, Institute for Advanced Studies, Vienna, Austria, 2004
-

MOST IMPORTANT PRIZES AND AWARDS

- **The Dirk van de Kaa Award for Social Demography** for outstanding achievements in social demography by an individual scholar, granted by European Association for Population Studies, June 2018 <https://www.eaps.nl/scientific-activities/dirk-j-van-de-kaa-award-social-demography>
 - Recognition within the “**Change the World, One Article at a Time**” Initiative of the Springer Nature <http://www.springernature.com/gp/researchers/campaigns/change-the-world> for the article “Country-specific conditions of work and family reconciliation. An Attempt at Quantification” published in the European Journal of Population (co-author D. Węziak-Białowolska), 2017
 - Prize of **the National Science Centre of Poland** for the best young researcher in the field of arts, humanities and social sciences, 2013
 - Prize of **the Rector of the Warsaw School of Economics** for the book ‘Interdependencies between fertility and women’s labour supply’. Dordrecht: Springer, 2012
 - Prize of **the Rector of the Warsaw School of Economics** for the scientific achievements, 2011
 - Scientific Award of the **Ministry of Science and Tertiary Education** for the best young researchers, 2010
 - Scientific Scholarship granted by the **Polish weekly magazine Polityka**, 2009
 - Scientific Scholarship START granted by the **Foundation for Polish Science**, 2007-2008
-

EXPERIENCE IN ATTRACTING RESEARCH FUNDING

- **Family Change and Subjective Well-being (FAMWELL)**, financed by the National Centre for Research and Development (Poland) within a Programme LEADER, directed to young researchers (max 4 years after the PhD) for establishing a research team. Amount granted: 250 000 EUR; Period 2010-2013; leader of the project and a team of four researchers (one undergraduate student, one PhD student and two post-docs)
- **Family Change in Italy and Poland (FAMCHIP)**, collaborative project with University of Florence financed by National Science Centre in Poland. Amount granted: 100,000 EUR; Period 2011-2013; PI: Irena E. Kotowska; My role: member of the Steering Committee
- **Women's self-employment in Poland: A strategy for combining work and childcare?** Research Grant funded by CERGE-EI Foundation within the Global Development Network, Role: Co-Principal Investigator, 2011
- **Who follows whom? Female part-time employment patterns in West Germany, East Germany and Poland**, Short-Visit Grant of the European Science Foundation 2005-2006, co-applicant: Stephanie Steinmetz (at that time PhD student at Mannheimer Zentrum für Europäische Sozialforschung)

PARTICIPATION IN OTHER RESEARCH PROJECTS (most important)

International

- **Fertility and Reproduction in 21st Century Europe (EURREP)**, ERC Starting Grant of Dr Tomas Sobotka, Vienna Institute of Demography, Austrian Academy of Sciences, 08. 2014-01.2017
- **Families and Societies – Changing families and sustainable societies: Policy contexts and diversity over the life course and across generations**, 7th EC Framework Programme coordinated by Stockholm University, 2013-2016
- **Reconciling Work and Welfare in Europe (RECWOWE)** funded by the EC 7th Framework Program; period: 2004-2009
- **The Insecure Perspectives of the Low Skilled in the Knowledge Society (LOWER3)**, workpackage on gender and the labour market, under the EC 6th Framework Program; period: 2004-2007
- **Population Policy Acceptance (PPA) Study. The Viewpoint of Citizens and Policy Actors Regarding the Management of Population Related Change (DIALOG)** under the EC 5th Framework Program; period: 2002-2005

National

- **Generations and Gender Programme**, 1st round – Poland, project financed by the Ministry of Science and Tertiary Education, conducted at the Institute of Statistics and Demography – Warsaw School of Economics, 2009-2012
- **Employment from the life course perspective**, Poland project financed by the Ministry of Labour and Social Policy in cooperation with Institute for Structural Studies, 2009-2010
- **Structural and cultural determinants of women's labour force participation in Poland**, financed by the Ministry of Science, conducted at the Institute of Statistics and Demography, Warsaw School of Economics in cooperation with Gdansk Institute for Market Economics and Warsaw University, 2005-2007
- **Economic and educational activity of women and their care duties**, funded from the European Social Fund, conducted at the Institute of Statistics and Demography, Warsaw School of Economics and the Gdansk Institute for Market Economics and Warsaw University, 2005-2007

INVITED SCIENTIFIC PRESENTATIONS

- Men's involvement in the family and fertility: what about men's opportunity costs? Invited presentation at the seminar series of the Population and Health Research Group, **University of St Andrews**, 14.05.2019 (with A. Rybinska)
- Do family policies affect fertility? – invited presentation at the research seminar "Global Population Challenges", Department of Demography, **Charles University, Prague**, 29.04.2019
- Evidence-based family policies as a response to the demographical challenges in Europe, invited presentation at the plenary session at the conference "Regional symposium on evidence-based family policies. Implications of Gender and Generations Survey data in the UNECE Region", **UNFPA, UNECE & UNICEF & the Government of Belarus**, Minsk 20-21.03.2018
- Partners' involvement in the family and their fertility desires, invited presentation at the conference "Changing Gender Inequalities, Changing Families?", Centre for Sociological Research, **University of Leuven**, Leuven, 7-8.12.2017 (with A. Rybinska)
- Self-Employment as a Work-and-Family Reconciliation Strategy?, invited presentation at the conference "Low Fertility, Labor Market, and Family: Factors, Outcomes, and Policy Implications", **East-West Center**, Honolulu, US, 20-21.11.2017 (with M. Mynarska)
- Potential of GGS data for international comparative research - keynote speech at the Polish Gender and Generations Conference, **Warsaw School of Economics**, Warsaw 26.06.2017 (with T. Sobotka and D. Vignoli)
- The Impact of the Great Recession on Fertility in Europe, invited presentation at the colloquium, **Warsaw School of Economics**, Warsaw, 21.12.2016 (with T. Sobotka and D. Vignoli)
- The Impact of the Great Recession on Fertility in Europe, keynote speech at the workshop "Old and new families facing the new century's challenges", **University of Padua**, Padua 16.12.2016 (with T. Sobotka and D. Vignoli)
- Use of GGS Data in Comparative Family Research, invited presentation at "Generations and Gender Programme: Methodology and Data Use Conference", **UNFPA & UNICEF**, Minsk, 28.11.2016
- The Impact of the Great Recession on Fertility in Europe, invited presentation at the colloquium, Carlo F. Dondena Centre for Research on Social Dynamics & Public Policy, **Bocconi University**, Milano, 15.02.2016 (with T. Sobotka and D. Vignoli)
- Diverse pathways to childlessness over the life course, invited presentation at the colloquium, **Vienna Institute of Demography**, Vienna 02.07.2013 (with M. Mynarska, A. Rybinska, V. Tocchioni, D. Vignoli)
- Which family model makes couples more happy - dual earner or male breadwinner?, invited presentation at the 46th Scientific Meeting of the **Italian Statistical Society**, Rome, 20-22.06.2012 (with A. Baranowska-Rataj)
- Women's employment in an adverse institutional setting: does it discourage childbearing? invited presentation at the Rostocker Ring Conference, **Max Planck Institute for Demographic Research**, Rostock, 1.07.2010 (with D. Vignoli)
- Interdependencies between fertility and women's labour supply, invited presentation at the colloquium, Department of Statistics and Demography, **University of Florence**, Italy, 27.05.2009

INVITED PRESENTATIONS FOR POLICY MAKERS (most important)

- "Low fertility and population dynamics in Eastern Europe", Workshop on Family Planning and Reproductive Rights, SheDecides Initiative, **UNFPA**, Chisinau, Moldova, 21.06.2017
- Presentation about work-family conflict and family change for the **Parliamentary Committee for the Family and Social Policy** (Poland), 17.04.2013 (with Irena E. Kotowska and M. Styrac)
- "Can reduction of tensions between paid work and childcare encourage young adults to have more children?" and participation in the discussion panel "How can we support parenthood in Poland?" (in Polish) at the **Chancellery of the President of the Republic of Poland**, 16.11.2011
- "Is there any lesson for policy-makers from studying Central and Eastern Europe's fertility decline?" **Population Europe Event**, Hungarian Academy of Sciences, Budapest, 29.03.2011
- „Will number of births in Poland decline?" (in Polish) at the **Polish Central Statistical Office** 31.03.2010 (with I.E. Kotowska and J. Jóźwiak)

ORGANIZATION OF INTERNATIONAL SCIENTIFIC MEETINGS AND CONFERENCES

- **Invited to be a Convenor of the Fertility Theme at the European Population Conference**, Padova 24-27.06.2020
- **Organiser of the scientific session at the Population Association of America Annual Meeting PAA 2019**, Austin/Texas, 10-13.04.2019
- **Member of the Organising Committee of the international workshop** "Integrating Subjective Well-being in the Demographic Agenda" side meeting to the Population Association of America Annual Meeting, Chicago 26.04.2017
- **A member of the organizing committee of the international conference** "Comparing families: does international perspective help?", Warsaw School of Economics, 17-18.12.2013
- **A member of the organizing committee of the 2nd Generations and Gender Survey (GGS) User Group Conference**, Dondena Centre for Research on Social Dynamics, Bocconi University, Milano, Italy, 24 and 25. 10. 2013
- **Member of the Organising Committee of the national conference** „New patterns of family formation in Poland: their causes and consequences on subjective well-being”, Warsaw School of Economics, 18.06.2013
- **Convenor of the Fertility Theme in the European Population Conference**, Stockholm 13-16.06.2012 (responsible for accepting and rejecting submissions to the Theme Fertility and organizing all sessions on the topic)

CONSULTANCY AND EXPERTISE

- Consultancy for the **United Nations Populations Fund** on gender equality and family dynamics in Eastern Europe: October 2014, October 2017
- Member of the expert group at the **Chancellery of the President of the Republic of Poland** responsible for preparing recommendations for family policy, 2012-2013
- Expertise on family-friendly policies for the **Senate of the Republic of Poland**, 2011, Brussels (with I.E. Kotowska and A. Baranowska)
- Member of the expert group which prepared research tools for assessing integration of women in the labour market at the regional and local level, **Ministry of Labour and Social Policy**, 2009
- Projections of social expenditures, expertise for the **Ministry of Labour and Social Policy**, Poland, 2003-2005, 2008

RESEARCH AND POLICY BRIEFS

- Contribution to the Demografische Forschung aus erster Hand „Karriere und Kinder: Wo geht beides gut zusammen?“, December 2017
- Matysiak, A., Sobotka, T., Vignoli, D. The impact of the economic recession on fertility in Europe: a subnational view. EURREP Research Brief 4/2017
- Kotowska, I.E. Matysiak, A., Mynarska, M. (2016). The life of Poles: From leaving the parental home to retirement. Insights from the Generations and Gender Survey (GGS-PL), Warsaw School of Economics, Warsaw
- Matysiak, A., Szalma, I., Between Work and More Children, Population Insights 1/2015, Population Europe
- Matysiak, A., Baranowska-Rataj, A., Mynarska, M., Rybińska, A., Styrz, M. (2013). Między zmianą światopoglądową a ograniczeniami dnia codziennego: Jakie przyczyny przemian rodziny w Polsce? Jakie rekomendacje dla polityki? (Between ideational change and the limitations of the daily life: What has been causing the family change in Poland? Policy recommendations), Warsaw School of Economics, Warsaw
- Interviews for Population Europe: "What working mothers really need?" (2012) and the process of remaining childless (2014)
- Billari, F., Matysiak, A., Speder, Z., Thevenon, O. „Mission not accomplished? New Evidence on Parenthood in Europe" Population and Policy Compact 2/2011, Population Europe
- Series of research briefs from the FAMWELL project "My child, my happiness?", "Cohabitation: facts and myths", "Single but happy?", "Do highly educated women divorce earlier?", "Don't they want or they cannot? Why some women remain childless?" (in Polish)

TEACHING

Bachelor level:

- **Statistics (in Polish)** – practical sessions, Warsaw School of Economics, academic years 2003/2004, 2004/2005, 2007/2008, 2008/2009, 2009/2010
- **Statistics (in English)** – lecture and computer labs, Warsaw School of Economics, academic years 2009/2010, 2010/2011, 2011/2012, 2012/2013
- **Demography (in Polish)**, selected lectures on population change, theories of family-related processes and migratory movements, population projections, socio-economic consequences of demographic change and policy responses, Warsaw School of Economics, academic years 2009/2010, 2010/2011, 2011/2012, 2012/2013
- **Demography (in English)**, selected lectures on population change, theories of family-related processes and migratory movements, population projections, socio-economic consequences of demographic change and policy responses, Warsaw School of Economics, academic years 2010/2011, 2011/2012, 2012/2013

PhD level:

- **Consequences of demographic change (in English)** – course for PhD students within European Doctoral School of Demography in the academic years 2013/2014 and 2014/2015; teaching part of the course about the consequences of demographic change on families, 8 hours per academic year

Executive level:

- **Data Analysis and Reasoning in Business (in English)** - course for the MBA students at the Warsaw School of Economics in the academic year 2010/2011 (15 teaching hours)
- **Quantitative Methods of Decision Making (in English)** - course for the MBA students at the University of Warsaw in the academic years 2009/2010 and 2010/2011 (30 teaching hours each year)

PROMOTION OF STUDENTS

- **Bachelor students:** 8 bachelor students over the period 2010-2013, Warsaw School of Economics
- **Master students:** 1 master student at the Warsaw School of Economics in the academic year 2012/2013, 1 master student at the Rostock University in 2009 (secondary supervisor)
- **PhD students:** secondary supervisor of PhD thesis “Interdependencies between marital instability and fertility” (PhD candidate: Marta Styrc), defended in June 2016, Warsaw School of Economics; currently secondary supervisor of the Giammarco Alderotti (University of Rome)

PhD COMMITTEES

- Member of the PhD Committee at the University of Trento, scheduled for October 2019 (PhD candidate Mattia Oliviero, supervisor: prof. Stefani Scherer)
- Member of the PhD Committee at the Universitat Pompeu Fabra in Barcelona, February 2019 (PhD candidate Alessandro Di Nallo, supervisor: prof Gosta Esping-Andersen)
- Member of the PhD Committee at the Cracow Economic University, November 2017 (PhD candidate Beata Osiewalska, supervisor: prof Jolanta Kurkiewicz)

DEVELOPMENT OF COURSES AND TEACHING MATERIALS UAGES

- Coordinator of the team preparing the programme and teaching materials for the courses Statistics and Demography in the Bachelor Programme in International Economics, 2010/2011, 2012/2013
- Co-author of the chapter “Labour market” for the textbook “Social statistics” (ed. Tomasz Panek, Polish Economic Publishing, 2014), with Irena E. Kotowska and P. Strzelecki
