

SHORT RÉSUMÉ (Last 10 years)

DIMITER NIKOLOV PHILIPOV

Vienna Institute for Demography
Austrian Academy of Sciences
Wohllebengasse 12-14, 6th floor
1040 Wien
Austria

Tel: (+43 1) 51581 7711

Fax: (+43 1) 51581 7730

e-mail: dimiter.philipov@oeaw.ac.at

1. General information:

Date and place of birth 1947, Bulgaria
Citizenship Bulgarian
Residence: Austria

2. Education and degree:

Mid-Career	1994	Certificate in Demography, Office of Population Research, Princeton University
Ph.D.	1988	Candidate of Economic Sciences in Demography and Economics; University for National and World Economy, Sofia. (equivalent to Ph.D.)
Higher education	1972	Mathematical Statistics. Department of Mathematics, Sofia University
Scientific degree:		Senior scientist (habilitation)

3. Employment:

Feb.2013 -	Senior scientist, Vienna Institute of Demography
April 2003 – Feb.2013	Head, research group on Comparative European Demography Vienna Institute of Demography Austrian Academy of Sciences
October – 1998 to March - 2003	Senior scientist, Data Laboratory Team leader, Division 2 Max-Planck Institute for Demographic Research, Rostock, Germany

4. Publications – Last 10 years

4.1. Monographs and book chapters

1. Dimiter Philipov; Juergen Dorbritz (2003): *Demographic consequences of the transition in countries in central and eastern Europe*. Council of Europe, Strasbourg.
2. Dimiter Philipov (2003): Fertility in times of discontinuous societal change. In: *“Population of central and Eastern Europe. Challenges and opportunities”*. Pre-conference book. EAPS, Warsaw, 2003.

3. F. Billari, D. Philipov (2003): Interrelations between education and timing of first unions: the case of Central and Eastern Europe. In: *"Population of central and Eastern Europe. Challenges and opportunities"*. Pre-conference book. EAPS, Warsaw, 2003.
4. Dimiter Philipov (2003): Major trends affecting families in Central and Eastern Europe. In: *Major Trends Affecting Families*, The Programme on the Family, United Nations, New York.
5. D. Philipov (2006): Portrait of the Family in Europe. Chapter 2 in: *Policy Implications of Changing Family Formation*, Population Studies N.49, Council of Europe, Strasbourg.
6. D. Philipov, A. Liefbroer, F. Billari, editors (2006): Postponement of childbearing in Europe, *Vienna Yearbook for Population Studies*, Vienna Institute of Demography.
7. D. Philipov (2008): Family related gender attitudes, in Ch. Hoehn, D. Avramov, I. Kotowska, editors: *People, Population change and Policies*, Volume 2, Springer.
8. D. Philipov (2008), Demographic Advantages and Disadvantages, in: Dr. Avramov, editor: *Acceptance of immigrants in Europe?* Pro Business Verlag, Berlin.
9. A. Fuernkranz-Prskawetz, I. Jaschinski, M. Kreyenfeld, T. Sobotka, D. Philipov, L. Bernardi, J. Goldstein, K. Zeman (2012), Demographische Analyse der Fertilitätsentwicklung, in: *Zukunft mit Kinder*, G. Stock et al editors, Campus Verlag.

4.2. Journal articles

10. Kohler, Hans-Peter and Dimiter Philipov (2001): "Variance Effects in the Bongaarts-Feeney Formula", *Demography*, Vol.38/1, pp.1-16.
11. Dimiter Philipov and Hans-Peter Kohler (2001): "Tempo Effects in the Fertility Decline in Eastern Europe". *European Journal of Population*, 1/2001.
12. Billari, Francesco, Dimiter Philipov and Pau Baizan (2001): Leaving home in Europe: the experience of cohorts born around 1960. *International Journal of Population Geography*, Vol.7 N.5, pp. 311-338.
13. Andersson, Gunnar and D. Philipov (2002): Life-table representations of family dynamics in Sweden, Hungary, and 14 other FFS countries: a project of descriptions of demographic behavior. *Demographic Research*, Vol.7-4, <http://www.demographic-research.org/>
14. Dorbritz, Jürgen and D. Philipov. Der Wandel in den Mustern der Familienbildung und der Ehescheidungen in den Reformstaaten Mittel- und Osteuropas - Die folgen des Austausches der Wirtschafts- und Sozialordnung. *Zeitschrift für Bevölkerungswissenschaft*, Jg.27, 4/2002, S. 427-463

42. D. Philipov, O. Thévenon, J. Klobas, L. Bernardi, A. Liefbroer (2009), Reproductive Decision-Making in a Macro-Micro Perspective (REPRO): State-of-the-Art, *European Demographic Research Papers N.1*, Vienna institute of Demography.
43. D. Philipov (2010), Theories on fertility intentions: a demographer's perspective, in: *Vienna Yearbook of Population Research*, pp.31-36.
44. D. Philipov and Julia Schuster (2010), Effect of Migration on Population Size and Age Composition in Europe, *European Demographic Research Papers Nr.2*, Vienna Institute of Demography.

5. Selected Presentations in Scientific Meetings:

- "Reproductive decision-making in a macro-micro environment", presentation at the Stakeholder Seminar *The future of Families*, DG Employment Brussels, October 2011.
- "A decade of fertility trends and public policies in Europe", keynote speaker, *Low Fertility, Families and Public Policies Seminar*, Lisbon, UCL-SC, July 2011.
- "Low fertility, family issues and recent public policies in Central and Eastern Europe", keynote speaker, *Low Fertility, Families and Public Policies Seminar*, Lisbon, UCL-SC, July 2011.
- "REPRO – Policy implications", chair of a session and presentation at the seminar "*European projects: Familyplatform and Repro*", organized on the occasion of the "*Population issues and Awareness*" week on the occasion of the Hungarian chair of the EU, Budapest March 2011.
- Chairing sessions at the IUSSP in Marrakesh 2009 and at the EAPS conference in Vienna 2010
- "*Why intentions remain unrealized: a case study of Bulgaria*", Conference of the European Association for Population Studies, Barcelona, July 2008
- "*Are fertility intentions a relevant measure for policy purposes?*", UN conference, Geneva, May 2008.
- "*Developmental idealism and Family and Demographic Change in Central and Eastern Europe*", A. Thornton and D. Philipov, Annual Meeting of the Population Association of America, New Orleans, 17-19 April 2008.
- "*Family formation and fertility in Central and Eastern Europe: Sweeping changes and driving forces*", University of Michigan, Ann Arbour, guest lecturer, 22 April 2008.
- "Why fertility timing intentions remain unrealised? The role of competing intentions", Bratislava University, guest lecturer, March 2008.
- "*Fertility intentions and the measurement of fertility needs: policy perspectives*", Vienna Institute of Demography, February 2008.
- "*Are fertility intentions a relevant measure for policy purposes?*", Conference "Can Policies enhance Fertility in Europe?" Vienna Institute of Demography, December 2007.

- "*Religion and Fertility Ideals, Intentions and Behavior: A Comparative Study of European Countries*", D. Philipov and C. Berghammer, February 2007, Vienna Institute of Demography.

- "*Religiosity and Demographic Events: a Comparative Study of European Countries*", D. Philipov and C. Berghammer, paper presented:

(1) at the European Population Conference, Liverpool, 2006

(2) at the Conference "Political Demography: Ethnic, National and Religious Dimensions", London, September 2006

(3) at INED, November, 2006.

- March 2006: "*Demographic trends and patterns in Eastern Europe and Central Asia*", report presented at UNFPA Regional meeting, Bratislava.

- February 2006: "*Should Governments in Europe be More Aggressive in Pushing for Gender Equality to Raise Fertility?*" Participation on the "No" side in a debate organized at the Max-Planck Institute for Demographic Research.

- Joint Eurostat-UNECE Work Session on Demographic Projections, Vienna 21-23 September 2005. Paper presented: Missing births: decomposing the declining number of births in Europe into tempo, quantum, and age structure effects (with T. Sobotka and W. Lutz)

- July 2005: IUSSP General Conference Meeting, four papers presented.

- April 2005: Annual Meeting of the Population Association of America, Philadelphia. Two papers presented.

- April 2004: Annual Meeting of the Population Association of America, Boston. Paper presented: "*Fertility intentions: postpone or reject a birth? A comparative study of Bulgaria and Hungary*".

- August 2003: "*Fertility intentions in times of societal shifts (the case of Bulgaria)*": European Population Conference, Warsaw, Poland.

- May 2003: Annual Meeting of the Population Association of America, Minneapolis. Paper presented: "Using the Coale-McNeil model for the study of postponement of first births" (with H.-P. Kohler).

6. Project acquisition and consultancy

6.1. Project acquisition

Coordinator:

2007-2011 "*Reproductive decision-making in a macro-micro perspective*" (REPRO), Seventh Framework Program of the European Commission, Consortium Coordinator.

2006-2007 "*Fertility intentions and outcomes - the role of policies to close the gap*", European Commission, DG Employment, Social Affairs, and Equal Opportunities, Consortium Coordinator.

Principal Investigator:

2013-2017 "Changing families and sustainable societies: Policy contexts and diversity over the life course and across generations" (*FamiliesAndSocieties*), work-package leader and coordinator support.

2013-2015 Forward Looking Analysis of Grand Societal cHallenges and Innovative Policies (*Flagship*)

- 2009-2012 European Observatory on the Social Situation, Demography Network (*DemoNet*), European Commission DG "Employment and Social Affairs", PI at the Vienna institute of Demography
- 2006-2007 "*Needs for female immigrants and their integration in ageing societies*"- *FEMAGE*, Specific Targeted Project at the Commission of the European Communities, Research Directorate-General, PI at the Vienna Institute of Demography
- 2001-2005 "*Population Policy Acceptance Study - the viewpoint of citizens and policy actors regarding the management of population related change*", *DIALOG*, Fifth Framework Programme of the European Commission, PI at the Vienna Institute of Demography

6.2 Project Participation:

- 2009-2011 Fertilitaet und gesellschaftliche Entwicklung, Deutsche Akademie der Naturforscher Leopoldina, Berlin-Brandenburgische Akademie der Wissenschaften; participant.

6.3 Consultancy (last 10 years, selected)

- 2012-2013 UNECE, Population Unit at the Statistical Division. Preparation of the report for the project *ICPDBeyond2014*.
- 2009-2012 South-East Europe Transnational Cooperation Program, European Territorial Cooperation 2007-2013, European Union: elaboration of a project proposal for Themes for Strategic Development (priority 4).
- 2009 UNFPA consultant, Population Dynamics and their Effect on Health Systems in Europe; *Advocacy for Reproductive Health commodity security in Eastern Europe*, St. Petersburg, 2-4 November 2009.
- 2008 World Bank, consultant, "Reproduction- Decision-making of Russian women and men".
- 2007 UNECE consultant, "Ageing - a challenge and opportunities for the countries of Eastern Europe, Caucasus, and Central Asia", 13-16 March, Chisinau, Moldova.
- 2006 UNFPA consultant, "Demographic Trends and Patterns in Eastern Europe and Central Asia", regional meeting, Bratislava
- 2004 UNFPA consultant, Training on Basic Population Concepts and Measures for Economists and Planners, 28 June - 2 July, Charvaq, Uzbekistan
- 2004-2005 Council of Europe, Population Committee, consultant, "*Policy implications of changing family formation*,"

7. Organizer of International Conferences (recent)

- 2010 Vienna Conference "*From intentions to behavior: reproductive decision-making in a macro-micro environment*", December 2-3
- 2007 Vienna conference "*Can policies enhance fertility in Europe?*", Vienna Institute of Demography, December 4-5.

2005 Vienna Conference "*Postponement of childbearing in Europe*" organized together with Bocconi University, International Institute for Applied Systems Analysis, 1-3 December

8. Editor and reviewer

2012 - Editor-in-Chief: European Journal of Population

2005 - Associate Editor, *Demographic Research*

Guest editor, European Journal of Population 2009; Vienna Yearbook of Population Research, 2007 and 2005.

Reviewer in international journals: Population and Development, Population Studies; Demographic Research; European Journal for Population; European Sociological Review; Journal of Actuarial Sciences; Population, Space and Place; Demography; etc.

9. Membership in International Organizations:

- *Population Association of America (PAA)*.
- *European Association for Population Studies (EAPS)*.
- *International Union for the Scientific Study of Population (IUSSP)*.

Signed: (Dimiter Philipov)
